Occupation Guide

one2protect is designed for the occupations that are set out in this guide. These can generally be described as non-manual workers. We assess each occupation and charge a premium rate that is dependent on each occupation. For those occupations shown as individual consideration (IC) please contact underwriting who will be happy to clarify if the duties will be acceptable to us. However, some occupations can only be accepted with a restriction to the Plan termination age and those are detailed in the notes section.
